

WHEN A VISION BECOMES REALITY

A COMPANY OVERVIEW

Direct Traffic Solutions provides supply chain solutions supporting the global transportation network; commercial and federal logistical operations. For more than 20 years, Robert Meehan, our founder -and war veteran- who served as in the 840 Security Police Group under the Strategic Air Command (SAC).

Today, our team brings industry best practices, commitment, and passion to a multi-billion dollar logistics industry. Incorporated in 2012, Direct Traffic Solutions brings technology, warehousing, and logistical solutions to streamline supply chain operations. Our team is our family.

DTS currently provides transportation services for companies including:

WHY WE DO WHAT WE DO DIFFERENTIATORS

We do business among the most selective carriers out of a pool of more than 25,000 carriers that get in touch with us.

We have been growing revenue at a pace of 35% year over year.

We have moved more than 60,000 loads in the last 3 years.

With more than \$3 Billion in revenue in that division, Nestlé Waters trusts us with their business.
